RE: Antidumping duty scope determination on steel wire garment hangers from the People's Republic of China ("PRC") (A-570-918)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from PetEdge Inc. ("PetEdge"). Commerce issued a final scope determination on 08/02/2012 that Casual Canine Pet Fashion Hangers imported by PetEdge are not within the scope of the antidumping duty order on steel wire garment hangers from the PRC (A-570-918).

2. Commerce determined that PetEdge's Casual Canine Pet Fashion Hangers are outside the scope of the order because the nature of PetEdge's manufacturing process results in a product that is distinct in form, shape, and use from the hangers covered by the scope and places them outside the scope of the Order. Therefore, the Casual Canine Pet Fashion Hangers imported by PetEdge are not within the scope of the antidumping duty order on steel wire garment hangers from the PRC.

3. For all entries of steel wire garment hangers not within scope that remain unliquidated on or after 03/25/2008, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.

4. Refund any cash deposits and release any bonds relating to the product not within the scope described above.

5. These instructions constitute notice of the lifting of suspension of liquidation of entries of Casual Canine Pet Fashion Hangers imported by PetEdge entered, or withdrawn from warehouse, for consumption on or after 03/25/2008.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the

required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of steel wire garment hangers from the PRC not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
